"Robert and Michelle are one of the finest people you'll meet, and they are wonderful teachers. I have been auditioning, getting callbacks, put on avail and

landing a few bookings -- but this was exactly the seminar I needed to step out of my way and fully let my talent and essence come through. After taking their seminar, within a week's time, I booked my first audition. I landed a role on the Sarah Silverman pilot, "Susan", produced by Brian Grazer.
